

# SUMMER CAMP

June 14 to August 20, 2010

## Spanish Immersion

¡Hablar español es "FUN"damental!

Through our "total immersion" philosophy, the kids will have the opportunity to listen and speak Spanish like real life through a variety of fun activities.

Computer Lab - Culture & Geography - Storytelling - Arts & Crafts  
Scientific Games and Movies to open curiosity and expand knowledge  
and much much more...

8:30am to 3:30pm

\$120 /Week

## Summer Reading & Math Skills Programs

**Phonics - Comprehension - Vocabulary Speed & Love of Reading**  
**Math Review & Advancement Study Skills**

This program helps students repair gaps and misconceptions—and master concepts, skills, and problem solving that are critical for success in the school.
